GYNECOLOGY
INSTRUMENTS
Catalogue

We at KOTSTEEL, are the world-renowned manufacturers and exporters of the professional grade Retractors.

We have been exporting our instruments all over the world to amount to hundreds and thousands of instruments each year in a very short amount of time, our company has grown immensely to offer a diverse product range as well as acquire international certifications proving to our costumers that our words and our products, both are of the highest quality.

PRODUCTS LINE

We are the original equipment manufacturers (OEM) for Retractors. Our product depth covers more then 100 different type of instruments ranging from the typical instruments used in the in clinic to sophisticated instruments required during surgeries. We deem, however, pertinent to submit further that the range and scope of our production activities is not limited to our production literature. We can produce instruments even if not depicted in our online catalogues. We receive samples, photos or references from the world-renowned companies catalogues.

QUALITY/ INNOVATION

AT KOTSTEEL, the quality is set in motion through motivated specifications planning by trained technical persons. The computer added design and imaging provide visual instruments a set configuration. This simplifies each aspect of instruments manufacturing.

QUALITY CERTIFICATIONS:

AT KOTSTEEL, the quality is set in motion through motivated specifications planning by trained technical personnel. The computer aided designing and imaging provide visual instruments a set configuration, which simplifies each aspect of instrument manufacturing.

FUTURE ORIENTED

We are a forward-looking company, and are determined to cover more milestones so as to be the world leaders in our field in the days to come. We shall cooperate with you every way possible, and assure you to serve your business interests the best way possible.

COMMITMENT:

Our commitment is to meet the changing needs of healthcare systems and to lead the industry by providing quality surgical instruments at competitive cost.

We understand the diverse needs of our customers and know that quality along with delivery time are the most important and common requirements of our customers from both segments. This Realization allows us to serve our customers in the most efficient and cost effective manners.

We are looking forward to serve you.
